

## A MESSAGE FROM THE COACH...

Johnny Johnson enters his 9th season as UWSP's Head Wrestling Coach

The UWSP Wrestling team is heading into the 2006-07 season hoping to improve on their 11th place finish at the NCAA's. Coming off 5 consecutive top 12 finishes at the NCAA's, the Pointers are looking to begin the move to the next level. The team will be looking to establish some new leaders in the room as they graduate 3 senior All-Americans from last year. Joel Burdick earned All-American status for the first time in 2006 while Al Stacilauskas and Mike Hayes both became All-Americans for the 2nd time. However, success just doesn't happen. Pointer wrestling is the result of countless individuals working tirelessly on and off the mat, season after season. I'd like to take this opportunity to encourage you to show your support for the University of Wisconsin-Stevens Point Wrestling Team.

The Pointer Takedown Club has played a vital role in bringing the UWSP Wrestling Program to the level it enjoys today. The club not only provides much needed financial support, but it also offers an opportunity for Pointer wrestling fans to come together. In addition, your donation to the Pointer Takedown Club is tax deductible. Funds raised from the Pointer Takedown Club go directly to support the Pointer wrestling program.

You can be a part of this important club. Join the team by becoming a Pointer Takedown Club member and help support Pointer wrestling and its' family. We look forward to seeing you at our events!

Sincerely,

*Johnny Johnson*
