2005-2006

UWSP Windmill Club

Fans of Pointer Softball,

On behalf of our coaches and players, I would like to thank you for your interest in UWSP Softball. We would like to invite you to play a significant role in our success by becoming a member of the Windmill Club.

The Windmill Club

The Windmill Club is the official support group of the Pointer Softball Program. Its mission is to support the sport of softball and the goals of the UWSP softball student-athletes through direct monetary support. The Windmill Club helps to pay for our upcoming trip to the Rebel Spring Games in Orlando, FL.

A Tradition of Success

UWSP Softball has a strong tradition of success. The Pointers won the NCAA Division III National Championship in 1998 and have made a number of regional appearances over the years.

In 2005, the Pointers completed their winningest season since 1999 and 12th consecutive 20 win season. The Pointers tied for third in the WIAC and finished 3rd at the WIAC conference tournament. The team has set some challenging goals for this season and are working hard to make those goals a reality.

We hope you consider becoming a member of the Windmill Club – it is a great way to show support for the team as they embark on another exciting season. We greatly appreciate your contribution, and we hope to see you at the ballpark this spring!
