(Alumni President)

Dear Alumni, Donors and Friends of UWSP,

As I transition from president to past president of the UW-Stevens Point Foundation, I am proud of what has been accomplished by our alumni, donors, friends, board of directors, Chancellor, and advancement staff. We had a banner fiscal year from July 1, 2004-June 30, 2005 and have turned the corner regarding the credibility and viability of our foundation. The vision being formulated by the campus and the quality of the faculty, staff and students form the nucleus of this great institution.

Let me share some '04-'05 Foundation highlights with you:

- Received nearly \$3,200,000 dollars in contributions
- Received over \$800,000 in bequests/wills
- Total assets of over \$17,000,000 with an endowment of \$12,000,000
- Came in well under budget with our foundation operational plan
- Received an unqualified opinion (which is the best) in our audit
- Distributed nearly \$470,000 in scholarships and over \$1,800,000 in program support
- Sponsored the Chancellor's Installation and Noel Fine Arts Center Dedication so no state tax dollars were used for these events
- Had the most successful phonathon ever
- Continued to develop and enforce consistent policies for gifts into and distribution of gifts out of the Foundation
- Continued to move forward with our planning for a capital campaign
- Continued the advancement and development team communications toward a comprehensive university fundraising plan

YOU helped to make this all possible. As you know, UWSP has a great deal to be proud of in and out of the classroom and without your contributions, much of that would not be possible.

If you have questions or comments, the Foundation staff would be more than happy to assist you and/or direct you to the people with the best answer. They can be reached at: 800-858-5267, 715-346-3812 or uwspfdn@uwsp.edu.

Sincerely,

Gerald O'Brien
President, 2004-2005
