

Accreditation Steering Committee

Mission & Values

The mission of the Accreditation Steering Committee is:

1. to engage the entire UWSP community in a successful and positive process of accreditation by the Higher Learning Commission;
2. to use the accreditation process as a focus on the many facets of learning;
3. to facilitate subsequent planning that is responsive to the accreditation findings.

The Accreditation Steering Committee values:

1. collegial teamwork;
2. broad and open involvement with clear communication during and after the accreditation process;
3. a comprehensive, candid, and forward-thinking evaluation of the current UWSP learning environment;
4. a process that stimulates responsive planning and possible change as warranted by the findings.
