Goals

- **SERVICES** : Provide quality, cost-effective, and convenient services as guided by student input
- **EDUCATION** : Engage students through employment, service and leadership opportunities that teach personal and professional skill development and the social change model language.
- **RENEWAL** : Develop and promote activities that enhance a sense of belonging, encourage positive student interaction, and provide for fun, fitness and balance.
- **ENVIRONMENTS** : Create and manage a variety of environmentally friendly, safe, comfortable, clean and accessible environments that encourage the university community to gather, formally and informally.
