Helmet? Check. Headlamp? Check. Warm, grubby clothes? Check.

All set, let's go caving!

Join our experienced spelunking staff at Outdoor EdVentures as we lead you through a natural limestone cave in the countryside of Richland Center, WI. You won't find lights, tour guides, walkways, or gift shops at Popp's, but there are stalactites, stalagmites, bats, water, and a copious amount of crawl spaces to explore and enjoy. If an afternoon of underground fun interests you, stop by Outdoor EdVentures in the basement of Allen Center and sign up. *No experience is necessary!*

Itinerary

Meet at Outdoor EdVentures with change of clothes, food, helmet, and flashlight. Pile into the vans and drive down to Richland Center. Hike up to Popp's cave and spend 3 hours exploring the underground tunnels and formations. Clean up and eat in town. Be on the road by early evening and home no later than 9 pm.

What to bring: warm grubby clothes, flashlight, helmet (provided by Outdoor EdVentures), money for dinner, snacks, a change of clothes, and a plastic bag to hold your dirty clothes afterwards.

Mandatory Meeting: Thursday, Nov. 5th at 5 pm in Outdoor EdVentures.
