## Instructions:

Watch the screen in the front of the room for energy related trivia questions. Each question has a number that matches the numbered square on your card. Write your answer in the appropriately numbered square. There are three types of questions: multiple choice, true/false, short answer, and fill in the blank. Shout BINGO and raise your hand when you have four answers in a row (across, down, or diagonally). A volunteer will review your answers. If all the answers are correct you will select a prize. If any answers are incorrect the volunteer will mark your answer incorrect and you can continue to play.

## Instructions:

Watch the screen in the front of the room for energy related trivia questions. Each question has a number that matches the numbered square on your card. Write your answer in the appropriately numbered square. There are three types of questions: multiple choice, true/false, short answer, and fill in the blank. Shout BINGO and raise your hand when you have four answers in a row (across, down, or diagonally). A volunteer will review your answers. If all the answers are correct you will select a prize. If any answers are incorrect the volunteer will mark your answer incorrect and you can continue to play.
