Explain*

through experimentation

share w/ team for design fac. tech

I intend to go back through the materials intensively to add to my skills in this area

I plan to check the websites of IAP3, Institute for Cultural Affairs, and Nat. Assn for Non-Profit Boards.

I will read through the facilitator resources for ideas

Questions/comments/suggestions for improvement

a difficult time of day for this session

don't have this session so late in day

got some good ideas, but will need to think about them more
