Explain*

I will use in dealing with my employees and in working with groups, as well as developing my own skills

Some of the ideas for behavior change. I would like to use this for my job.

Be more concious of leadership qualities and try to implement them in everyday situations

Work to improve skills as lead facilitator for PLT workshops

Both in my personal professional development and in working to develop leadership within others. In particular, I enjoyed using leadership skills "words" and described how to do that.

Use in my Sunday School and at the TC Market

Questions/comments/suggestions for improvement

Put quotes on a handout; also thinks, sees, learns description

It was great, would like more time on the subject. Presenter wasn't able to touch on everyting, which was info I'm sure was very valuable.

Nan was such a joy. I love the way she teaches
