Advisor: Jane Doe, Environmental Science Teacher
Advisor Phone: 123-456-7890
Advisor Email: Jdoe@thisschool.k12.wi.us

Purpose of Club: The XYZ Eco Club provides an opportunity for any XYZ Community High School Student to explore their environmental interests. The Eco Club exists to make the school and XYZ community more environmentally friendly.

Activity Highlights:

- Annual school-wide Earth Day Celebration
- Compact fluorescent light bulb fundraiser
- Bird house construction and monitoring
- River clean-up
- Canoeing
- Snowshoeing

Future Plans:

Working to get our school forest registered so we can obtain free tree seedlings for planting.

Other Information:

Please contact us if you would like information on how to start a successful school-wide Earth Day Celebration. We would like to connect with another school that monitors bluebirds so we can share data.
