

**Wisconsin Environmental Science Teacher Network Workshop
August 19, 2008**

Contacts for Student Action Projects (listed in order of presentation in the PowerPoint)

School Prairie

Contact: Joe Riederer, Riederer@bigbluestempres.com, (715) 323-1362
Resource Website: <http://bigbluestempres.com>

Adopt a Trail

Contact: Wisconsin State Parks, wiparks@wisconsin.gov, (608) 266-2181
Resource website: WDNR Education Activities Listings (<http://dnr.wi.gov/education/>)

Invasive Species

Contact: Kelly Kearns, Plant Conservation Program Manager, WDNR
kelly.kearns@wisconsin.gov, (608)267-5066
Resource website: IPAW – Invasive Plants Association of Wisconsin (<http://www.ipaw.org/index.htm>)

Storm Drain Stenciling and River Clean Ups

Local Contacts: Please list on resource website
Statewide Contact: Kris Stepenuck, kfstepenuck@wisc.edu, 608-265-3887
Resource website: Water Action Volunteers (<http://watermonitoring.uwex.edu/wav/>)

Forest Park Packs

Contacts: Locations with available packs listed on resource website
Resource website: <http://dnr.wi.gov/org/caer/ce/ee/teacher/parkpack.htm>

School Forest Monitoring

Contact: Jeremy Solin, jsolin@uwsp.edu, 715-346-4907
Resource Website: WI School Forest Program (<http://www.uwsp.edu/cnr/leaf/schoolforest/monitoring.shtml>)

Environmental Monitoring Opportunities –

Resource website: Who's Who of Citizen-based Monitoring of Wisconsin (<http://wiatri.net/cbm/WhosWho/>)

Garlic Mustard Monitoring

Contact: Jeremy Solin, jsolin@uwsp.edu, 715-346-4907

Worm Watch

Contact: Jeremy Solin, jsolin@uwsp.edu, 715-346-4907
Resource websites: Great Lakes Worm Watch (www.greatlakeswormwatch.org)

Amphibian Monitoring

WI Frog and Toad Survey: Bob Hay, robert.hay@wisconsin.gov, (608)-267-0849

**Superior area Marsh & Water
Quality Monitoring:**

Resource website: Sue O'Halloran, sohallor@uwsuper.edu, (715)-394-8525
Marsh & Water Quality Monitoring (<http://watermonitoring.uwex.edu/level3/mmp.htm>)

Bat monitoring

Contact: Dave Redell, david.redell@wisconsin.gov, (608) 261-8450

Milkweed Monitoring

Contact: Lindsay Haas, lindsay.haas@wisconsin.gov, (262)-574-2113
Resource website: (<http://dnr.wi.gov/org/caer/ce/eeek/teacher/milkweedmonitoring.htm#contact>)

Carnivore Tracking

Contact: Adrian Wydeven, adrian.wydeven@wisconsin.gov, 715-762-1263 x 107
Resource website: (<http://www.dnr.state.wi.us/org/land/er/mammals/volunteer>)

Lakes

Contact: Laura Herman, laura.herman@uwsp.edu, (715)-346-3989
Resource website: Citizen Lakes Monitoring (<http://watermonitoring.uwex.edu/level1/monitoring.html>)

Wetlands

Superior area contact for
Marsh and WQ Monitoring: Sue O'Halloran, sohallor@uwsuper.edu, (715)-394-8525
Resource website: Marsh & Water Quality Monitoring (<http://watermonitoring.uwex.edu/level3/mmp.htm>)

Rock River Basin - Zelinski Marsh

Contact: Ed Grunden, egrunden@hotmail.com, (920)-253-9673

Aquatic Invasive Species

Contact: Erin Henegar, erin.henegar@uwsp.edu, (715)-346-4978
Resource website: Clean Boats, Clean Waters (<http://watermonitoring.uwex.edu/level1/clean.html>)

Streams/Rivers

Contact: Kris Stepenuck, kfstepenuck@wisc.edu, (608)-265-3887
Resource website: Water Action Volunteers (<http://watermonitoring.uwex.edu/wav/monitoring/index.html>)

World Water Monitoring Day

Resource website: (<http://www.worldwatermonitoringday.org/>)

Watershed Education Resource centers

Resource website: (<http://watermonitoring.uwex.edu/wav/monitoring.coordinator/equipment.html>)

Other Opportunities (too numerous to list)

Resource website: Who's Who of Citizen-based Monitoring of WI (<http://wiatri.net/cbm/WhosWho/>)
