

Does anyone have photos of their Electrathon vehicle, under construction & finished that I could use to make a proposal for sponsorship? I would be sure to inform the sponsors that these are not my photos however our vehicle may be similar. Also if anyone has photos of some of the races that would be a big help also

Thanks

Ron Haisler

Hi Ron,

If you visit the Wisconsin Electrathon Web site ([www.wielectrathon.org](http://www.wielectrathon.org)) and click on Showcase, you will see a slideshow and other photos. Hope this helps!

~Sara

Welcome to the forum Ron. You'd be welcome to use the photos posted on the Bayfield Electrathon Web Site....

Ron,

Welcome! Watertown High School has our website pretty well geared towards getting sponsors. Feel free to use any pictures and our Sponsorship Form if desired...
