

Hey everyone,

I just talked to Mike C. on the phone and he wanted me to post this for him (he's not at his computer).

When vehicles enter the pits between 20 and 40 minutes, the 1-minute timer will begin as soon as the car comes to a complete stop. At this time, the driver can walk around the vehicle and get back into the vehicle, or drivers may change.

Any questions? Post them here...

Thanks,

Sara
