REQUIRED ABSTRACT Limit to space provided.			
<p>The WCEE and partners will offer a workshop and follow up meeting that will provide 15 teachers with overviews of statewide EE programs, curriculum resources, and funding sources, an exploration of leadership opportunities, assistance with developing an action plan for their school district, and a review of the accomplishments of that action plan. The goal is to develop a cadre of teachers who serve as EE leaders in their school districts by connecting interested teachers with EE resources and by providing assistance to teachers who would like to include EE in their classrooms.</p>
