REQUIRED ABSTRACT Limit to space provided.					
MeasureMe will work in cooperation with the Department of Public Instruction (DPI), Wisconsin Center for Environmental Education (WCEE), Wisconsin Association for Environmental Education (WAEE), Wisconsin No Child Left Inside Coalition (WNCLIC) and the yet to be formed DPI assessment taskforce to establish a mechanism for continuous monitoring of the environmental literacy of select cohorts of Wisconsin's K-12 students. Success of the project will be evaluated via the creation of an operational plan to implement at least one mechanism for continuous statewide environmental literacy assessment and adoption of this plan by the Department of Public Instruction.
