

Course: EDUC 570 - Reading Strategies for Content Learning -
WAUSAU LOCATION

Section: 791

Credits: 3

Description: This course is designed for all content area teachers from grades 4-12 to provide participants with a framework for empowering students to effectively use strategies to comprehend and process information. Participants will have the opportunity to explore and research reading strategies and will learn to approach reading as a tool for student learning.

This course is offered in conjunction with the [WASCD](#) Institute "Reading Strategies for the Content Areas". Click here for the [flyer and registration](#) for the Institute.
