

Course: EDUC772 - COSTAR - Collaboration of Starting Teachers
Achieving Results

Section: TBA

Credits: 1-3

Description: Survey of issues and practices encountered by beginning and experienced teachers new to a school district during their induction year.

COSTAR courses are specifically designed for particular school districts through partnerships between UWSP College of Professional Studies and the school district administrators and associations.

Please visit the COSTAR website at www.uwsp.edu/education/costar/

If you would like to explore COSTAR course possibilities for your district, please have your school administrator contact:

Henry St. Maurice, Education Director
Professional Development Network
